Open Access

# How to make your research available to everyone
Legally and for free

thinkchecksubmit.org
doaj.org

Do you know a free Open Access journal?

Publish through the gold road

Most Open Access journals don't charge APCs.

oa100.snf.ch

Do you have funds to cover APCs?

Publish through the gold road

OA subsidies available for all SNSF-funded researchers (NO hybrid!)

Choose a subscription journal

Editors often require an embargo period

Héloïse
sherpa.ac.uk/romeo

Can you archive the postprint?

Publish through green road (SERVAL)

Postprint: accepted manuscript before copy editing.

6 months for articles (SNSF)
12 months for books and chapters (SNSF)

Archive your postprint in our repository

SERVAL
serveur académique lausannois

Template letters to negotiate embargo periods with publishers

Can you negotiate the embargo?
